## MTDC Complete Connections Program

# Connect Completely

to service and support to help your business grow

In today's hypercompetitive world, working with a company with outstanding resources can be the secret to success. Our new MTDC Complete Connections Program for multitenant data centers (MTDC) can help you increase revenue opportunities, increase speed to revenue, and decrease network deployment risks by connecting you to the products, services, and experience to put you on the right path.

### The MTDC Complete Connections Program connects you to:

- Enhanced service
- Dedicated technical support
- Easy access to tools

## Enhance your services with the MTDC Complete Connections Program

As a program member, you'll have access to:

### Enhanced service:

- Dedicated National Account Manager
- Competitive, quick response for pricing inquiries
- Rapid product delivery supported through our national distribution network
- Award-winning customer care dedicated to program members
- Timely response to all requests

### Dedicated technical support:

- Design and systems engineering team dedicated to program members
- Specification review and creation
- Customizable, live training webinars
- Onsite training

### Exclusive web portal offering a one-stop shop with access to:

- Bill of material (BOM) design tool
- MTDC solutions guide
- Product feature and installation videos
- Online training center for recorded webinars and training courses
